Did you know?

Covering a much wider area than the present district of Selly Oak, the Anglo-Saxon manor of Selly lay within the bounds of Merritts Brook, the River Bourn and Icknield Street.

It appears in the Domesday Book as Escelie. Escelie is a topographical name from meaning 'shelf clearing' ie. 'the clearing on a shelf (of land)'. This probably refers to the flat top of the hill on glacial drift around the junction of the Bristol Road with Oak Tree Lane.

The 'Oak' element is uncertain but may derive from the 14th-century Selly Soke, the latter term referring to a manor granted certain powers of jurisdiction. The name is recorded by the 1790s as Selly Oak.
